ASAKTHA POSHAKA SABHA

REPORT FOR THE YEAR ENDING 28-2-1929

CHAIRMAN, LADIES AND GENTLEMEN,

I beg to submit this the 5th Annual Report showing the working of the Sabha during the period of one year from 1st March 1928 to 28th February 1929. Mr. K. Shankaranarayana Rao, M A., B.L., now District Judge, Mysore continued to be the President throughout the year, Messrs. K. H. Ramiah and B. Puttaiah, as Vice Presidents, my humble self as Honorary Secretary, and Messrs. M. Basappa, M. Ramachendra Rao, R. Gopalasamaiyar, S. K. Narasimhayya, J. Raja Ram Rao, M. Subba Rao, S. K. Bheemasena Rao, Adam Sheriff, and K. Venkatesayya as members of the governing body. According to Rule 5 of the Rules and Regulations of the Sabha, the present members of the governing body shall hold office for a period of 3 years i.e., till the annual meeting in 1929 March. The anuual meeting having been postponed till this date, the election of office bearers has also to be held now after the report is read out.

2. Statements showing the receipts and expenditure and balance in hand, several fixed and current deposits held in the banks, special feedings given by several philanthropists, lists of several monthly subscribers, donors etc. are appended to the report. It will be seen from the above that the society has made very good progress financially and it has gained both in status and reputation. The members have not much hard work in the way of going out for collections as apparently on account of the enthusiastic and honest working of the Sabha, people are coming forward voluntarily with all kinds of help. The Government of H. H. the Maharaja of Mysore in the Muzrai Department has been graciously pleased to help us with a monthly grant of Rs. 50 while the City Municipality has increased its monthly grant of Rs. 25 to 50 since January this year. You will be glad to see that on the whole we have fixed deposits as follows:—

		Rs.
City Co operative Bank	...	2,350
Grain Merchants Association C. S.	...	1,600
Central Co operative Bank	...	500
Mysore Bank, Thrift Deposit	..	50
Mysore Government Endowment Deposit	..	1,000

Mr. Adinarayana Settiar a shroff Merchant of Doddapeta has been depositing at the rate of Rs 100 per month in the Apex Bank on behalf of the Sabha and when the amount comes to Rs 1,000 he would devote it to the Sabha and become a patron. Mr. B Navakoti Setti of the Anantha Krishna flour Mills, old Taragupet has been depositing at Rs 10 per month in the Vaisya Co operative Bank and it is at present expected to rise up to Rs. 300, and he may, who knows, raise it upto Rs 1,000 even and become a patron also Mrs Haidri Bhatta Charji of S. Finchly, London, first contributed Rs 200 so that the interest thereon amounting to Rs 14 might be utilised annually for a general feeding on the 12th January to 100 disabled destitutes in memory of her beloved father She again remitted £ 16 amounting to Rs 200 and odd for being placed in Fixed deposit and the interest utilised for a second feeding in memory of her father on the 28th June each year. Herself and her son Hera Ahmed Bhattacharji have both been made life members as desired and the grateful thanks of the members of the Sabha are due to her for the voluntary gifts, hearty and willing as they are Special mention has also to be made of Mandi Mr Hariyanna who has been generously pleased to transfer to this Sabha a sum of Rs. 1619 of some defunct charitable fund which had been under his management and Mr. Munisamappa of Messrs Munisawmi and Sons, Florists & Seedsmen Lal-bagh road who has been pleased to give at every annual harvest about 100 seers of Ragi for the inmates. It will be seen from the statement that many gentlemen have till now come forward to give monthly feedings and more than 17 days in a month have been filled up. If more philanthropic gentlemen & ladies, of course many more there are in the City, undertake to feed the inmates one day in a month, the cost does not go beyond Rs 3 10 0 it would become unnecessary for the Sabha to meet the recurring expenses for feeding the inmates of the Home and the extra income could be utilised for the building and other development purposes. Besides these special feedings some well to do gentries offer to give general feedings to a greater number of disabled destitutes than the inmates, on some special occasions such as marriage birthday etc., at a cost of Rs. 15 to Rs. 25 and we feed about 100 to 200 such people then. The highest number we generally feed is 200 on an occasion, for in our experience of the last 6 years we have not been able to secure a

greater number of genuine Asakthas in the City. I may add that the present President of the City Municipality is taking keen interest in the affairs of Sabha. The monthly grant has been increased to Rs. 50 as already stated and he is sparing no pains to secure a suitable site for us for putting up a building of our own. The present rented building cannot provide space for more than 25 persons, and we are much handicapped thereby. We do badly want a spacious building site immediately. As soon as the site is secured a retired Engineer sympathising with the movement has promised to prepare a plan and estimate which will be circulated among the citizens for special consideration. The Government and the Municipality will also be approached for special building grant. It is needless for me to state that the inmates are paid the best attention possible. They are fed twice a day at 12 in the noon and at 7-30 p.m. and given a lunch in the morning by 8 a. m. in the form of conjee. They are made to bathe twice a week at least, and they are given panchais, shirts and cheddies to males, sadies and petty coats to female members. Such of them as are able to move about are made to do some work or other such as Ragi grinding, sweeping the compound, watering the plants, gardening, taking the charity cart to the different parts of the city etc. As funds and space permit, it is under contemplation to teach such of them as are able to learn mat-making, spinning, cording, cane work and such other handicrafts. The special features of the Home are (i) that no distinction of caste color or creed is made. There are Mohammadans, Adi Karnatakas and all other classes of Hindus except Brahmins for whom no special provision could be made (ii) the only consideration for admission is whether one is really a disabled destitute such as blind, crippled or infirm (iii) that he is free from any infectious or contagious disease. It is our earnest longing and honest hope that if a dozen such homes be started and regularly maintained throughout the city, street beggary annoying and wearisome as it is, could be successfully prevented.

There was some difficulty in getting our accounts carefully audited, for want of campetent men willing to undertake this honorary work. It was only recently that Mr. M. Vengiah Chetti Retired Sub-Registrar of Chickballapur has taken up this work and has almost audited the accounts for the year. He will get the Balance Sheet prepared ere long and after duly certifying the same place it before the public. The Treasurer Mr. M. Ramachendra Rao of the Conservator's office has spared no pains to attend to all cash transactions and duly accounting for the same. The Sabha's grateful thanks are due to him and to all other workers while it is needless to state that but for the generous support of His Highness the Maharajas' Government, the City Municipality, the Patrons

Benefactor, and Life Members and several other Donors, month Subscribers etc. including those who have given special feedings and free grant of grains the Sabha would not have assumed the present status.

I hinted already that money is coming up voluntarily. It is service honest labor with loving kindness that we want more from those who most sympathise with the movement. Those who can spare time and energy will please communicate with the Honorary Secretary and take up such work connected with the Sabha as is agreeable to their environments. May this charitable institution started by a handful of friends more than 5 years ago ever prosper and may it serve the Almightly God by serving our unfortunate brethern who are both disabled and distitute either by their own making or by mere chance. The late Zahiriddin Meccai Sahib who presided over the second anniversary is absent from us physically but his sympathy for the movement is ever brooding over the Sabha and with his words I bring the report to a close.

"The old idea that a certain number of people in actual distress was a *Sine quo non* of every civilised society and that there was nothing unnatural that in such a society hundreds and thousands could afford to be extravagant and lavish in their luxuries while their brethern were miserable in dirt disease and distress, should be discarded at once. Such a condition of things was not merely disgracefnl but was a positive menace to the well being of the Society. Wastetul extravagance side by side with abject penury was unnatural. As according to Eastern Philosophy all human beings have been linked to the limbs of the same body, and it would be unnatural to expect any man with a painful boil or ulcer on one of his fingers to think of going to the jeweller's shop to purchase a ring for another finger, it was similarly unnatural for the rich to keep indulging in their luxuries and wasteful modes of life, while their own brothers were plodding in their miseries for want of a morsel of food.

"I appeal to one and all to look within yourselves and by an introspective examination and scrutiny to retrench all *unnecesary* luxuries, and make the sum thus saved available for the finding of the Asylum in view."

May God bless you all.

To

Sir,

With reference to your letter No. [illegible] dated the 2nd July 1929 forwarding for disposal the petition of [illegible] received from the President of the [illegible] praying for the continuance of the grant of Rs. [illegible] per annum sanctioned to the said Institution from 1st July 1928, I have the honour to state that in my letter No. 754-7/Mur.28-30-3 dated the 6th August 1928, a copy of which was endorsed to you, it was pointed out that the grant was sanctioned to the said Institution for a period of three years from 1st July 1928 from the Chamarajendra Endowment Fund. From the letter of the President of the said Institution, it will be seen that the average annual income of the Institution is Rs. [illegible] per annum. As per rule 4 of the Scheme framed for the said Institution, the Institution will be entitled to the grant of one-third of the said Rs. [illegible].

Since the said Institution is the only one of its kind in Bangalore City it is desirable that it should be encouraged to the extent that it is entitled to, but not more than Rs. [illegible] per annum as it is meant for a period of 3 years only. The Committee of the said Institution should be advised to approach the Bangalore District Board for the "[illegible] grant"
